Ecclesiastes Sep 06 2020 What can we expect from life in a fallen world? How are we to live as redeemed people in such a world? In 22 concise chapters, Benjamin Shaw shows that the answers to these questions are to be found in the message of the Old Testament book of Ecclesiastes. Whereas some commentators have viewed the book of Ecclesiastes as an alien intrusion into the Old Testament, and have deemed it of little use for the New Testament believer, Benjamin Shaw does not hold to this misguided view. In this commentary, designed to be used by non-specialists, he shows that this divinely inspired book is far from being the muddled collection of disparate voices it is sometimes presented to be. He demonstrates that in reality, Ecclesiastes is an integral part of the word of God, and conveys a very distinct message to all who are willing to listen to its wisdom.

Without the dead, she'd be no one. Odessa is one of Karthia's master necromancers, catering to the kingdom's ruling Dead. A dramatic uptick in Shade attacks raises suspicions and fears around the kingdom. Soon, a crushing loss of one of her closest companions leaves Odessa shattered, and reveals a disturbing conspiracy in Karthia: Someone is intentionally creating Shades by tearing shrouds from the Dead--and training them to attack. Odessa is forced to contemplate a terrifying question: What if her magic is the weapon that brings the kingdom to its knees? Fighting alongside her fellow mages--and a powerful girl as enthralling as she is infuriating--Odessa must untangle the gruesome plot to destroy Karthia before the Shades take everything she loves. From the Ashes of Angels Jun 23 2019 Provides convincing evidence that angels, demons, and fallen angels were flesh-and-blood members of a giant race predating humanity, spoken of in the Bible as the Nephilim. • Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan. • By the author of *Gateway to Atlantis*. Our mythology describes how beings of great beauty and intelligence, who served as messengers of gods, fell from grace through pride. These angels, also known as Watchers, are spoken of in the Bible and other religious texts as lusting after human women, who lay with them and gave birth to giant offspring called the Nephilim. These religious sources also record how these beings revealed forbidden arts and sciences to humanity--transgressions that led to their destruction in the Great Flood. Andrew Collins reveals that these angels, demons, and fallen angels were flesh-and-blood members of a race predating our own. He offers evidence that they lived in Egypt (prior to the ancient Egyptians), where they built the Sphinx and other megalithic monuments, before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age. Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below. Humanity regarded these angels--described as tall, white-haired beings with viperlike faces and burning eyes--as gods and their realm the paradise wherein grew the tree of knowledge. Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril.

Love in a Fallen City Nov 20 2021 Masterful short works about passion, family, and human relationships by one of the greatest writers of 20th century China. A New York Review Books Original "[A] giant of modern Chinese literature" -The New York Times "With language as sharp as a knife edge, Eileen Chang cut open a huge divide in Chinese culture, between the classical patriarchy and our troubled modernity. She was one of the very few able truly to connect that divide, just as her heroines often disappeared inside it. She is the fallen angel of Chinese literature, and now, with these excellent new translations, English readers can discover why she is so revered by Chinese readers everywhere." -Ang Lee Eileen Chang is one of the great writers of twentieth-century China, where she enjoys a passionate following both on the mainland and in Taiwan. At the heart of Chang's achievement is her short fiction—tales of love, longing, and the shifting and endlessly treacherous shoals of family life. Written when Chang was still in her twenties, these extraordinary stories combine an unsettled, probing, utterly contemporary sensibility, keenly alert to sexual politics and psychological ambiguity, with an intense lyricism that echoes the classics of Chinese literature. Love in a Fallen City, the first collection in English of this dazzling body of work, introduces American readers to the stark and glamorous vision of a modern master.
