[John the Baptist and Prophet Jun 15 2021](#) Using recent methodological advances in historical Jesus research, this book examines the figure of John by focusing on the two characteristic roles which he publicly performed-baptizer and prophet. The significance of these roles is studied within the context of late Second Temple Judaism in order to understand John within his social and historical context. Part I examines the traditions concerning John in Josephus's Antiquities as well as in canonical and extra canonical Gospels. Part II studies John's role as baptizer by analysing the functions of ablutions in the Old Testament and Second Temple Jewish literature, especially the Qumran literature. Part III analyses John's public role of prophet. John is seen as the leader of a prophetic movement, whose sociopolitical orientation may be compared with similar movements of the period.

[The Hammond Organ May 03 2020 \(Book\)](#). Now fully updated, The Hammond Organ: Beauty in the B traces the technological and artistic evolution of the B-3 and other tonewheel organs, as well as the whirling Leslie speakers that catapulted the Hammond sound into history. You'll discover the genius that went into the development of Hammond's tonewheel generator, drawbar harmonics, percussion, scanner vibrato and other innovations, as well as the incredible assistance Don Leslie provided for Hammond by creating his famous rotating speaker system. Plus B-3 legends including soul-jazzman Jimmy McGriff and progressive rocker Keith Emerson share their playing techniques; technical experts offer tips on buying, restoring, and maintaining Hammonds and Leslies; and over 200 photos illustrate historic Hammond organs, Leslie cabinets, and B-3 masters at work.
