Spectrum Writing, Grade 1 Oct 27 2022 Spectrum(R) Writing for grade 1 guides students through each step of the writing process as they write sentences, personal stories, descriptions, how-to instructions, reports, opinions, and more. Spectrum(R) Writing workbooks guide students as they write for a variety of purposes, including writing to tell a story, writing to provide information, and writing to state an opinion. Lessons support current state standards. Step-by-step instructions help with planning, drafting, revising, proofreading, and sharing writing. A Writer's Handbook reinforces grammar and language skills, and a complete Answer Key is included. Engaging, open-ended writing projects combined with standards-based learning make these workbooks an essential resource for school success. Spectrum, the best-selling workbook series, is proud to provide quality educational materials that support your students' learning achievement and success.

Getting to the Roots of Content-Area Vocabulary Level 4 Aug 25 2022 Expand your students' content-area vocabulary and improve their understanding with this roots-based approach! This standards-based resource, geared towards fourth grade, helps students comprehend informational text on grade-level topics in science, social studies, and mathematics using the most common Greek and Latin roots.

Each lesson provides tips on how to introduce the selected roots and offers guided instruction to help easily implement the activities. Students will be able to apply their knowledge of roots associated with specific subject areas into their everyday vocabulary.

Airport Fire Fighter Oct 15 2021 Exam Prep: Airport Fire Fighter is part of Jones and Bartlett's comprehensive series of exam preparation manuals for fire service professionals. The series author, Dr. Ben A. Hirst through his company, Performance Training Systems, writes and validates actual certification and promotional exams for state fire training agencies and major fire departments nationwide. Each book in the Exam Prep series includes questions that have been used on these actual exams. This manual contains three full-length practice exams with self-scoring guides and page references to major texts and references on the subject. Winning test-taking tips and helpful hints are also provided. The manual follows Dr. Hirst's Systematic Approach to Exam Preparation, which provides immediate feedback to help students emphasize areas of weakness and learn material through context and association.
