Cat Hats Nov 20 2021 Cat people have an obsession with posting pictures of their cats online. See the phenomenal success of 'Stuff on my Cat'. This will appeal to any cat owner who also has a good sense of humour and a phone that takes pictures. (Pretty much every cat owner!) Everyone who owns a cat knows how adorable and hilarious they look in a little hat. But cuddly kitty soon transforms into sourpuss the minute that headgear touches her fur. Cat owners need worry no more as Cat Hats will revolutionise their photo albums for years to come. Featuring fifteen easy-to-construct paper hats with designs including pirate, queen, wizard, nurse, devil, pope, viking, cowboy and more, dull photos of your cat will be a thing of the past. Light enough to pop on kitty's head for an impromptu photoshoot when she's snoozing - or just full from too much food - these hats will provide hours of entertainment. Including a sticker sheet so you can really make that hat special, this book is going to change the life of you and your cat forever.

Making Your Own Hats Jun 23 2019 Even beginners who have in hands just few fancy pens, a measuring tape, and a small pile of left-over fabrics, can begin their creativities with confidence. *** The book is available in three different formats; e-book (ASIN: B09BBQ7PD6), black & white interior paperback (ASIN: B09BGM15YP), and color printed interior paperback (ASIN: B09BMLLSWB) *** This book is not only good for home hobby sewers or amateur designers, but also middle school, high school, to college students who strongly have interest in sewing and fashion design, or are in the midst of finding ideas for their independent study. Another level up for your new sewing project to pursue can begin with hats, which is much smaller in scale compared to clothing, using the left-over fabrics you already have. Logics and design examples provided inside, in different angles, will encourage creativities, develop problem solving skills, and grow confidence through pattern drafting and sewing. The book is also a good resource that integrates simple mathematics into the hat making processes, which makes a nice opportunity for both sides of your brain to get some exercise together. The foundation laid down in this book, as well as all detailed tips and tricks provided, will assist you in developing your original headdresses with pride and joy. Without the need of any specialized tools, or of being a professional milliner, anybody with basic sewing skills can do! And if you're the one who used to be annoyed by poor outfits, or having no clues to do alterations, for any hats made out of those ready-to-use patterns, it's time to just say good bye to that feeling. This book features; Basic understanding about the crown and brim making Step-by-step guide to create 3x basic and 7x creative hat sewing patterns 4x simple embellishment ideas, with examples and/or patterns All patterns are provided with actual scale reference (with 1-cm square grid as background) Construction demonstration on one hat, with tips and tricks from real experiences Simple mathematical techniques to create hat patterns Addition-subtraction tips which are useful for small adjustments All explanations come along with understandable logics, no non-sense stuffing Plus, visualized explanation, which is very easy to follow, through almost 90 sets of illustrations All hat images shown in this book are associated with the patterns created and finished products constructed solely by myself. All techniques, which were adapted from my knowledges obtained during the fashion school time, have been proven through multiple trials and errors and engineered to be replicable with simplicity. However, in case you would prefer the actual size patterns to promptly begin your new hat sewing projects, they will be available in a separate paperback format, to be printed and distributed by Amazon soon.

A classic black top hat, a Steampunk top hat, a Burlesque number, a Circus ring master's hat, a lucky St Patrick's day hat, a Valentine's day hat and a spooky Bug Halloween hat. Happythought mini paper top hats - a brief history: When I first set my heart on wearing a mini top hat I had a few hurdles to overcome! Firstly, the party was that day, secondly a quick trip to the local shops turned up nothing satisfactory, thirdly, I'm not a big one for sewing and didn't have the know-how or supplies to make a fabric hat. Then the idea struck to make a paper top

hat. I made up a quick maquette, then got to work on the design on my computer, finally printing out my little burlesque creation. A few snips and the wave of a glue stick and a darling little hat was ready. I secured it safely to my head with a bobby pin and was good to go. When my fellow party goers saw my handy work I was swiftly commissioned to make two more. And so we set off to the party feeling dandy and in high spirits and it's safe to say the hats were a big hit at the party.
About the Author Along with her husband Harry Ellen runs Happythought, an online store and blog full of craft ideas and fun printable paper crafts. Happy Birthday, Madame Chapeau Apr 13 2021 In a three-story house with a shop down below, lived the world's finest hat maker, Madame Chapeau. Like the Lady herself, all her hats were refined. Brilliantly singular. One of a kind. So begins the tale of a lonely hat maker who matches customers to the perfect hat but lacks her own perfect match in life. Once a year, on her birthday, Madame Chapeau ventures out in her favorite bonnet to dinner. This time, a crow snatches her hat and flies away. Mon dieu! As she chases the crow through the streets of Paris, a baker, a policeman, a cowboy, and others offer her their own hats to wear. None of them are quite right, though, until one special little girl offers her a hat "knitted with love and [her] best birthday wish." From the bestselling team behind Iggy Peck, Architect and Rosie Revere, Engineer comes this delightful and very stylish story about love, community, and friendship, with some fancy hats thrown in for good measure. Praise for Happy Birthday, Madame Chapeau "Beauty carries the bounces and lilt to the very last page. Roberts' colorful, exaggerated hats (many of which are modeled on real designs) whimsically adorn the multicultural Parisian public." --Kirkus Reviews
