Storm Front Dec 21 2021 The second installment in acclaimed *Black-Ops* thriller author Leo J. Maloney's spin-off series featuring Alex Morgan, daughter of Zeta operative Dan Morgan. **STORM FRONT** *Ares*, an insidious challenger to the Zeta group, is sowing conflict around the world, orchestrating an explosive endgame. Identifying the next target as a cruise ship on the Coral Sea, Zeta sends undercover operatives Alex Morgan and Alicia Schmitt to avert catastrophe. Infiltrating the crew and passengers is easy for the skilled agents—but also for the fortified and highly trained extremists, who topple security and gain control of the ship. The attackers' demands: inconceivable. Their threats: immediate. As a massive storm bears down off the Australian coast, Alex and Alicia are outnumbered, outgunned, and out to sea. In full chaos mode, Alex shores up her last defenses, unaware that someone close to her could shift the odds in her favor—or against her. *Ares* has every advantage in this operation, but they have overlooked one key thing. Never underestimate a Zeta agent . . . especially one whose last name is Morgan. Praise for Leo J. Maloney and His Novels "Utterly compelling." —Jeffery Deaver "Fine writing and real insider knowledge." —Lee Child "Rings with authenticity." —John Gilstrap "A ripping story!" —Meg Gardiner "The new master of the modern spy game." —Mark Sullivan

Termination Orders Apr 24 2022 From a *Black Ops* veteran and author of *Deep Cover*, a military thriller about a retired CIA agent forced back into action by a lethal conspiracy. Once a trained killer for the CIA, Dan Morgan has built a new life for himself. But when he receives a desperate plea from his former *Black Ops* partner—reportedly killed in a foreign battle zone—he flies to help. The Hour of Peril Aug 17 2021 "It's history that reads like a race-against-the-clock thriller." —Harlan Coben Daniel Stashower, the two-time Edgar award-winning author of *The Beautiful Cigar Girl*, uncovers the riveting true story of the "Baltimore Plot," an audacious conspiracy to assassinate Abraham Lincoln on the eve of the Civil War in THE HOUR OF PERIL. In February of 1861, just days before he assumed the presidency, Abraham Lincoln faced a "clear and fully-matured" threat of assassination as he traveled by train from Springfield to Washington for his inauguration. Over a period of thirteen days the legendary detective Allan Pinkerton worked feverishly to detect and thwart the plot, assisted by a captivating young widow named Kate Warne, America's first female private eye. As Lincoln's train rolled inexorably toward "the seat of danger," Pinkerton struggled to unravel the ever-changing details of the murder plot, even as he contended with the intractability of Lincoln and his advisors, who refused to believe that the danger was real. With time running out Pinkerton took a desperate gamble, staking Lincoln's life—and the future of the nation—on a "perilous feint" that seemed to offer the only chance that Lincoln would survive to become president. Shrouded in secrecy—and, later, mired in controversy—the story of the "Baltimore Plot" is one of the great untold tales of the Civil War era, and Stashower has crafted this spellbinding historical narrative with the pace and urgency of a race-against-the-clock thriller. A Washington Post Notable Nonfiction Book of 2013 Winner of the 2014 Edgar Award for Best Fact Crime Winner of the 2013 Agatha Award for Best Nonfiction Winner of the 2014 Anthony Award for Best Critical or Non-fiction Work Winner of the 2014 Macavity Award for Best Nonfiction

Assassin's Edge Dec 09 2020 USA Today bestselling author Ward Larsen's globe-trotting assassin, David Slaton, returns for another breathless adventure in *Assassin's Edge*! A U.S. spy plane crashes off the northern coast of Russia at the same time that a Mossad operative is abducted from a street in Kazakhstan. The two events seem unrelated, but as suspicions rise, the CIA calls in its premier operative, David Slaton. When wreckage from the aircraft is discovered on a remote Arctic island, Slaton and a team are sent on a clandestine mission to investigate. While they comb a frigid Russian island at the top of the world, disaster strikes yet again: a U.S. Navy destroyer sinks in the Black Sea. Evidence begins mounting that these disparate events are linked, controlled by an unseen hand. A mysterious source, code name Lazarus, provides tantalizing clues about another impending strike. Yet Lazarus has an agenda that is deeply personal, a thirst for revenge against a handful of clandestine operators. Prime among them: David Slaton. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Bandit Kings of the Cookson Hills Sep 05 2020 This book chronicles the true adventure of a loose-knit confederation of daring bandits originating from the infamous Cookson Hills of Eastern Oklahoma who terrorized the Arkansas-Oklahoma borderlands for more than a half decade following the close of the First World War. This Account, which takes place in the "Roing '20s," is meant to serve as a prelude to the author's first book, *The Bad Boys of the Cookson Hills*, which chronicles the activities of another band of outlaws who launched a prolific series of attacks on nearly two-dozen banks in Kansas, Oklahoma, Nebraska, and Arkansas during the 1930s depression era. This second "Cookson Hills Gang was headquartered in the same geographic area as the earlier version noted in this narrative and some of the characters involved with the original outfit were active members of the latter group.

Thin Air Mar 12 2021 An atmospheric tale of corruption and abduction set on Mars, from the author of the award-winning science fiction novel *Altered Carbon*, now an exciting new series from Netflix. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN** Hakan Veil is an ex-corporate enforcer equipped with military-grade body tech that's made him a human killing machine. His former employers have abandoned him on a turbulent Mars where Earth-based overlords battle for profits and power amid a homegrown independence movement. But he's had enough of the red planet, and all he wants is a ticket back home—which is just what he's offered by the Earth Oversight organization, in exchange for being the bodyguard for an EO investigator. It's a beyond-easy gig for a heavy hitter like Veil . . . until it isn't. When Veil's charge starts looking into the mysterious disappearance of a lottery winner, it stirs up a hornet's nest of intrigue and murder. And the deeper Veil is drawn into the game, the more long-buried secrets claw their way to the Martian surface. Now it's the expert assassin poised against powerful enemies hellbent on taking him down—by any means necessary. Praise for *Thin Air* "Kick-ass . . . Mixed in with the thriller-esque action and cyberpunk backdrop is a hard-boiled noir story complete with a twisting and turning plot that keeps readers on their toes."—*Los Angeles Times* "Richard K. Morgan wants to destroy your Mars fantasies. . . . It's a grim vision, but one that Morgan finds far more plausible than the cheerful visions of plucky Mars colonists common in sci-fi."—*Wired* "A robotically enhanced Jack Reacher [in a] dazzlingly intricate game of political double- and triple-cross, spiced with fastly kinetic battle sequences."—*The Guardian* "If you ever imagined that the core esthetics and themes of cyberpunk—lowlifes and high tech; corporate dominance; future noir; post-human evolution and cyborg adaptations; hardscrabble urban environments—were played out, *Thin Air* will set you straight, and kick your butt in the process. . . . Both cinematic and cinematic, [*Thin Air* is] limned by Morgan with balletic precision and smashmouth grace."—*Paul Di Filippo*, *Locus*

Unforgivable Blackness Jun 22 2019 In this vivid biography Geoffrey C. Ward brings back to life the most celebrated — and the most reviled — African American of his age. Jack Johnson battled his way out of obscurity and poverty in the Jim Crow South to win the title of heavyweight champion of the world. At a time when whites ran everything in America, he took orders from no one and resolved to live as if color did not exist. While most blacks struggled simply to exist, he reveled in his riches and his fame, sleeping with whomever he pleased, to the consternation and anger of much of white America. Because he did so the federal government set out to destroy him, and he was forced to endure prison and seven years of exile. This definitive biography portrays Jack Johnson as he really was—a battler against the bigotry of his era and the embodiment of American individualism.

Threat Level Alpha Jun 26 2022 *Black Ops* veteran Leo J. Maloney delivers a high-level thriller that spans the globe, changes the game, and raises the threat level to all-out, worldwide destruction . . . *Threat Level Alpha* They strike without warning, in key locations around the world. In Russia, a Soviet-era storage facility is raided by terrorists. In the Philippines, an important international conference is under siege. In the United States, Dan Morgan is stalked by Russian agents. And at Berkeley, Morgan's daughter is kidnapped with other students and taken to a remote laboratory. The attacks are neither coincidental nor random. They are part of a carefully orchestrated plan by a new and merciless organization. As Zeta Division struggles to make sense of the international chaos, Dan Morgan races to stop a deadly biochemical weapon—one that Morgan's daughter is being forced to help build. . . . Good Time Girls of the Alaska-Yukon Gold Rush Oct 07 2020 Morgan offers an authentic and deliciously humorous account of the prostitutes and other "disreputable" women who were the earliest female pioneers of the Far North.

The Den Of The Assassin Feb 29 2020

Solo Jan 28 2020 *The New York Times*—bestselling author of *The Eagle Has Landed* delivers a pulse-pounding story of a father out for revenge against a master assassin. John Mikali is known throughout the world as a brilliant concert pianist and playboy. But his true vocation is far more interesting and lucrative: He is a peerless international assassin. His music and fame give him entrée to complete his assignments all over the world without fail. He believes himself truly untouchable—until he makes one fatal mistake. Col. Asa Morgan is a military man to the bone. A veteran of wars both declared and undeclared, he's one of the most respected and lethal members of the British SAS, and utterly devoted to his country. But when his daughter is run down and killed by an unknown assassin making his escape, his sworn duty no longer matters. Now, his only mission is to find the killer before the authorities do—and make him suffer as long as possible before death. Morgan and Mikali will stalk each other across continents, from bloody back alleys to gilded halls in a deadly game in which each man is both the hunter and the hunted. And only the winner walks away. Recognized as one of the finest thriller writers of our time, the international bestselling author of the Sean Dillon and Liam Devlin series delivers "unadulterated macho adventure (and) suspense" (*Houston Post*).

For Duty and Honor Sep 29 2022 This "gritty and intense" thriller novella by the acclaimed author and *Black Ops* veteran "draws you immediately into the action and doesn't let go" (*New York Times*—bestselling author Marc Cameron). The unthinkable has happened to operative Dan Morgan. Captured by the Russians and imprisoned in the Gulag, he is tortured by his cruelest, most sadistic enemy. But Morgan knows that every prisoner has a past—and every rival can be used. With the most unlikely of allies, Morgan hatches a plan. To save what's important, he must risk everything. And that's when the stakes go sky-high. Because even in the face of certain death, Dan Morgan keeps fighting. "A ripping story!"—*Meg Gardiner*

Lincoln's Last Days Nov 27 2019 *Lincoln's Last Days* is a gripping account of one of the most dramatic nights in American history—of how one gunshot changed the country forever. Adapted from Bill O'Reilly's bestselling historical thriller, *Killing Lincoln*, this book will have young readers—and grown-ups too—hooked on history. In the spring of 1865, President Abraham Lincoln travels through Washington, D.C., after finally winning America's bloody Civil War. In the midst of celebrations, Lincoln is assassinated at Ford's Theatre by a famous actor named John Wilkes Booth. What follows is a thrilling chase, ending with a fiery shoot-out and swift justice for the perpetrators. With an unforgettable cast of characters, page-turning action, vivid detail, and art on every spread, *Lincoln's Last Days* is history that reads like a thriller. This is a very special book, irresistible on its own or as a compelling companion to *Killing Lincoln*.

Arch Enemy May 26 2022 An intelligence agent is on the hunt for a nefarious cyberterrorist in this "utterly compelling" spy thriller by the acclaimed author and *Black Ops* veteran (Jeffrey Deaver). The world is descending into chaos—and Dan Morgan of the elite intelligence unit Zeta Division knows the worst is yet to come. Mysterious government contractor Acevedo International is smuggling drugs and weapons across the globe. But as Morgan tracks down the nerve center of their illegal operations, an even more terrifying threat emerges—and Morgan's own daughter, Alex, is wrapped up in it. Drawn into an underground organization of college activists, Alex discovers that their true intentions are far more extreme and disturbing than she imagined. Behind it all is a ruthless hacker who has patiently laid plans to destroy America's global security networks. As the time to strike approaches, Morgan and Zeta Division may be the only chance not for victory, but survival. . . .

The Midnight Assassin Dec 29 2019 A *New York Times* bestseller, *The Midnight Assassin* is a sweeping narrative history of a terrifying serial killer—America's first—who stalked Austin, Texas in 1885. In the late 1800s, the city of Austin, Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis. But beginning in December 1884, Austin was terrorized by someone equally as vicious and, in some ways, far more diabolical than London's infamous Jack the Ripper. For almost exactly one year, the *Midnight Assassin* crisscrossed the entire city, striking on moonlit nights, using axes, knives, and long steel rods to rip apart women from every race and class. At the time the concept of a serial killer was unthinkable, but the murders continued, the killer became more brazen, and the citizens' panic reached a fever pitch. Before it was all over, at least a dozen men would be arrested in connection with the murders, and the crimes would expose what a newspaper described as "the most extensive and profound scandal ever known in Austin." And yes, when Jack the Ripper began his attacks in 1888, London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city. With vivid historical detail and novelistic flair, *Texas Monthly* journalist Skip Hollandsworth brings this terrifying saga to life.

Surprise, Kill, Vanish Aug 05 2020 From Pulitzer Prize finalist Annie Jacobsen, the untold USA Today bestselling story of the CIA's secret paramilitary units. *Surprise . . . your target. Kill . . . your enemy. Vanish . . . without a trace.* When diplomacy fails, and war is unwise, the president calls on the CIA's Special Activities Division, a highly-classified branch of the CIA and the most effective, black operations force in the world. Originally known as the president's guerrilla warfare corps, SAD conducts risky and ruthless operations that have evolved over time to defend America from its enemies. Almost every American president since World War II has asked the CIA to conduct sabotage, subversion and, yes, assassination. With unprecedented access to forty-two men and women who proudly and secretly worked on CIA covert operations from the dawn of the Cold War to the present day, along with declassified documents and deep historical research, Pulitzer Prize finalist Annie Jacobsen unveils — like never before — a complex world of individuals working in treacherous environments populated with killers, connivers, and saboteurs. Despite Hollywood notions of off-book operations and external secret hires, covert action is actually one piece in a colossal foreign policy machine. Written with the pacing of a thriller, *Surprise, Kill, Vanish* brings to vivid life the sheer pandemonium and chaos, as well as the unforgettable human will to survive and the intellectual challenge of not giving up hope that define paramilitary and intelligence work. Jacobsen's exclusive interviews — with members of the CIA's Senior Intelligence Service (equivalent to the Pentagon's generals), its counterterrorism chiefs, targeting officers, and Special Activities Division's Ground Branch operators who conduct today's close-quarters killing operations around the world — reveal, for the first time, the enormity of this shocking, controversial, and morally complex terrain. Is the CIA's paramilitary army America's weaponized strength, or a liability to its principled standing in the world? Every operation reported in this book, however unsettling, is legal.
